EXPERIENCE

Dumo Corp., Panama City, Panama

May 2023 – Present

Co-founder and CEO | dumocorp.com

- Founded and lead a startup that builds data-driven digital products and solutions tailored to the needs of NGOs, non-profits, small businesses, and individuals — spanning data tools and dashboards, websites, apps, UI/UX, and design
- In partnership with Espacio Cívico, led the design and build of a public-accountability data product that synthesizes 150K+ rows of government payroll data into a database and 6 web pages — including statistical graphs and regional comparisons — making information on corrupt expenses and practices accessible to a wide public
- Drove the product lifecycle from concept to launch; the tool is set to release with major national media coverage in early 2026, bringing attention to public sector accountability

Espacio Cívico, Panama City, Panama

May 2024 – May 2026

Lead Data Analyst and Digital Tool Manager

- Led data collection, investigative analysis, and interpretation that directly informs the organization's public communications, press statements, and advocacy messaging
- Managed the organization's website, including the "Boletín de Diputados" ranking system and legislative project search feature, ensuring timely updates and data integrity
- Drafted applications for grants essential for the organization's funding and continuous operation

FUNDALCOM, Panama City, Panama

June 2024 – August 2024

Legal Assistant

- Shadowed in-house lawyers, attended trials and hearings, and contributed to case write-ups, ensuring comprehensive support for victims of domestic and sexual violence
- Designed workshops and presentations to raise public awareness about domestic and sexual violence, empowering the Panamanian community with education and resources
- Gained hands-on experience in legal proceedings and advocacy, deepening knowledge of legal frameworks and practices aimed at supporting survivors

University of Pennsylvania, Philadelphia, PA

May 2023 – November 2023

Student Researcher | dia.upenn.edu/en/

- Collected, analyzed and classified 40+ maps that will be used to trace the migrations and dispossessions of indigenous people in the Americas for Dr. Tulia Falletti's "*Dispossessions in the Americas*," a Penn-Mellon Just Futures Initiative at the University of Pennsylvania
